Docket No. 98N-1265

Food and Drug Administration '99 APR -9 10:52  
5600 Fishers Lane  
Rockville, MD. 20857

**I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.**

COMMENTS: Thank you for keeping the health of  
US citizens apparent in your thinking.  
Many like myself, are unable to purchase  
necessary medications except at specialty  
pharmacies. The hormones I purchase  
are necessary for adequate functioning.  
Thank you for keeping these pharmaceutical  
services available.
